SUMMARY

Pursuing graduation on Computer Science and Engineering under Indian Institute of Information Technology, Sonepat. Working under different type of technologies under many projects. Expert in SQL and Python programming. A team player and a highly motivated individual willing to learn new technologies and methods related to Machine Learning. Able to adapt to different work culture and always ready to accept new challenges.

HARD SKILLS

- SQL
- Python
- C, C++
- Machine Learning
- R
- Bash
- Microsoft Excel
- Database Management
- HTML, CSS, JavaScript
- Linux

SOFT SKILLS

- Communication Skills
- Problem-Solving Skills
- Time Management Skills
- Multi-Tasking Skills
- Analytical Thinking
- Reliability & Punctuality
- Listening Skills
- Positivity
- Decision Making

WORK EXPERIENCE

Twitter3.0, Department of CSE, IIIT Sonepat, India   **Feb 2022 – Apr 2022**

Twitter3.0 is a project based on Blockchain Technology. My responsibilities include:
- Creating Smart Contracts using Ethereum Technology.
- Adding smart contract technology to front end technology.
- Uploading and Testing project.

   Team Members
- **P. Geet Nitin –** Designing and Implementing Front-End technology using Next JS

Face Mask Detector, Department of CSE, IIIT Sonepat, India   Sep 2021 – Nov 2021

[Face Mask Detection](#) system built with OpenCV, Kera/TensorFlow using Depp Learning and computer vision concepts in order to detect face masks in static images as well as in real-time video streams. My responsibilities included:
- Collecting various datasets and cleaning them.
- Training the model and saving the model.
- Testing and bug fixing.

EDUCATION

- Bachelor of Technology in Computer Science, 2020-Present, Indian Institute of Information Technology Sonepat, India.
- Intermediate Education (XII), 2018-2020, Board of Intermediate Education, Andhra Pradesh, India.
- Secondary Education (X), MARCH-2018, Board of Secondary Education, Andhra Pradesh, India.

CERTIFICATIONS

- Mastering Data Structure and Algorithms using C and C++, Udemy
- Certified Associate in Python Programming

LANGUAGES

- English (Fluent)
- Telugu (Native)

HOBBIES

- Learning different technologies.
- Reading books and listening music.
- Playing cricket.
- Travelling and maintaining fitness.
